SOFGEN Holdings Limited

Press Release

## **SOFGEN HOLDINGS LIMITED PARTNERS WITH NEW ACCESS SA**

**Geneva, 10 January 2012:** SOFGEN Holdings Limited (SOFGEN), an international provider of IT solutions for banks, and New Access SA, a provider of front office solutions for banks, are pleased to announce a global services partnership.

New Access will leverage SOFGEN's network of 18 offices on 5 continents to provide implementation services and, where required, localization and customization. SOFGEN delivers IT solutions to the banking and related financial services industry, with a special focus on private banking and wealth management.

New Access' Front Office solutions offer a fully integrated platform for Relationship Managers, as well as portfolio, client relationship and document management solutions.

André Israel, SOFGEN's Chief Operating Officer, stated, "Working with New Access extends SOFGEN's integration of banking products with an emphasis on front office functionality, allowing us to serve New Access' clients with our global reach and domain expertise."

Alexis Sikorsky, Chief Executive Officer at New Access, commented, "We are very pleased with this new partnership and intend to rely on SOFGEN's impressive track record to continue to grow our global presence and to increase our delivery capacity significantly."

## About SOFGEN Holdings Limited

SOFGEN is an IT consulting group specialized in private, commercial and retail banking. Founded in Geneva, Switzerland in 1999, SOFGEN serves banks from its principal offices in Geneva, Chennai, Singapore, London and New York. From its 18 offices on 5 continents, the SOFGEN group employs 450 staff, serving over 200 clients and providing solutions and products that cover every aspect of IT development, from requirements definition and system selection to system implementation and on-going support.

## About New Access SA
